

LETTER OF INTENT

To: LAC 10 LLC ("**LAC 10**")

6 March 2026

Dear Sir/Madam

We refer to the proposed cash acquisition by LAC 10 of the entire issued share capital of Amedeo Air Four Plus Limited ("**AA4+**") to be implemented by way of a scheme of arrangement (under Part VIII of the Companies (Guernsey) Law, 2008) (the "**Scheme**"), on the terms and conditions set out in the announcement agreed between LAC 10 and AA4+ and proposed to be made under Rule 2.7 of the City Code on Takeovers and Mergers (the "**Takeover Code**") (the "**2.7 Announcement**") on or around 6 March 2026.

We confirm that we are interested in 6,650,623 AA4+ shares (the "**Relevant Shares**") under swaps.

We further confirm that we are supportive of the Offer and should we become the holder of any of the Relevant Shares (or otherwise obtain the right to exercise or direct the exercise of voting rights over any of the Relevant Shares) by the time of the Court Meeting and the General Meeting (each as defined in the 2.7 Announcement), it is our current intention to vote (or procure the voting) in favour of the Scheme at the Court Meeting and the resolutions to be proposed at the General Meeting in respect of such Relevant Shares.

Nothing in this letter is intended to be legally binding and this letter does not constitute an irrevocable undertaking.

We will promptly inform LAC 10 of all information required to be disclosed by LAC 10 pursuant to Rule 2.10(a) of the Takeover Code and we consent to the public disclosure of such information and the terms of this letter.

Should our current intention alter in respect of the Relevant Shares, or should our interest in any of the Relevant Shares be sold or otherwise transferred, we will promptly notify LAC 10 and the Panel on Takeovers and Mergers of the up-to-date position so that LAC 10 can make an announcement as required by Rule 2.10(c)(ii) of the Takeover Code.

Yours faithfully
